PQ 14191/20 : To ask the Minister for Health his plans to allow staff recruitment processes to be devolved to local and hospital level. -Louise O'Reilly

Dear Deputy O'Reilly,

I refer to your recent parliamentary question as above, which was sent to the HSE for reply.

The HSE conducts its recruitment activity both locally (at Hospital and CHO level) and through HBS which is the Shared service division of the HSE.

Currently approximately 40% of appointments are processed through Shared Services,

In preparation for the implementation of Slaintecare and giving consideration to the fiercely competitive global recruitment market the HSE is reviewing its recruitment model.

This work is at an early stage.

Yours sincerely

Office of the National Director for Human Resources
