**PQ 15594 - To ask the Minister for Health the number of inpatient and day procedure beds in place at University Hospital Waterford; and if he will make a statement on the matter.**

Dear Deputy Cullinane

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can confirm that University Hospital Waterford currently has 290 staffed and in use medical and surgical in-patient beds. Please note this excludes Critical Care, Paediatrics and Maternity Services. There are 30 beds on the Ambulatory Day Care Ward.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

**Grace Rothwell**
