PQ 17532/20

To ask the Minister for Health when audiology services will be provided in Tuam primary care centre, County Galway; when an audiologist will be appointed to provide this vital service for persons in Tuam and north County Galway; and if he will make a statement on the matter.

Dear Deputy Canney,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted for response.

The Community Audiology services were suspended in March due to the Covid 19 pandemic. It is our plan to re-open service and recommence clinics in August.

We are currently processing a tender application for an Audiology testing facility in Tuam Primary Care Centre but this was delayed due to Covid 19 lockdown.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

Mr. Frank Murphy  
Head of Primary Care
