David Cullinane, T.D.

PQ 17839/20: To ask the Minister for Health the number of HSE national directors that have been relocated to other roles in each of the years 2017 to 2019 and to date in 2020; and if he will make a statement on the matter. -David Cullinane

Dear Deputy,

I refer to your recent parliamentary question above which was sent to the HSE for reply.

In response to your query please see table below.

Number of HSE National Directors Relocated to other roles	
Year	Number and Purpose
2017	1 (ND took on Chief Information Officer (CIO) role for 6-months, in addition to her own ND role pending CIO role being filled by open competition)
2018	5 (4 to cover temporary vacancies pending the posts being filled by open competition (covering the time between resignation and new appointments to the role; and 1 reassignment to oversee National Screening Services)
2019	1 (to cover a long-term sick leave/vacancy)
2020	0

*Please note that 3 of the temporary relocations in 2018 related to Tony O'Brien's resignation.

Yours sincerely

Marie O Sullivan
