Re: PQ Ref 19261/20

**“To ask the Minister for Health the status of the development of a new primary health care centre in Greystones, County Wicklow; the stage at which plans are at; the time frame for completion; and if he will make a statement on the matter.”**

Dear Deputy Brady,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health and Children for response. I have examined the matter and the following outlines the position.

The location of the proposed new Primary Care Centre in Greystones is on land owned by Wicklow County Council. Wicklow County Council is in the process of developing a master plan for the site which will include the Primary Care Centre and they are engaging with the HSE regarding same.

The timeframe for the development of the Primary Care Centre is dependent on Wicklow County Council's development of the site.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

**Loraine Kennedy**  
Head of Service, Primary Care
