**Re: The number of vacancies at the Mercy Hospital; the grade of each vacancy; the length of time of the vacancy in tabular form**

Dear Dep. Gould,

I refer to your recent Parliamentary Question in respect of the above. Please see the table below in this regard.

| <b>Vacancy</b> | <b>Post Type/Grade</b>                    | <b>Length of time vacant</b> |
|----------------|---|------------------------------|
| 1              | HSCP - Specialist Technician Grade        | 6 months                     |
| 2              | HSCP - Department Lead Grade              | 1 week                       |
| 3              | Nursing - Clinical Nurse Specialist Grade | 4 months                     |
| 4              | Administration - Grade IV                 | 5 weeks                      |

Please note that in the above table, in Health and Social Care Professionals (HSCP) and Nursing, there is no grade numbering; the job title describes the grade or, more precisely, salary scale.

Should you have any further queries please do not hesitate to contact me.
