Dear Deputy Burke

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

There are approximately 2,500 patients with type 1 diabetes attending the adult diabetic service and approximately 455 patients with type 1 diabetes attending the paediatric diabetic service.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

  
Dr. Gerard O'Callaghan

Interim Chief Executive Officer
