17th August 2020,

Deputy Pat Buckley,

Dail Eireann

Dublin 2.

PQ Number: 20646/20

To ask the Minister for Health the number of section 39 providers that hold agreements for providing mental health services; and if he will make a statement on the matter.

Deputy Pat Buckley,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

A considerable number of organisations are funded by the HSE to provide different levels of mental health or suicide prevention services, resources or supports. This response provides details on organizations that receive national funding. In addition to this there are local agreements at CHO level with some organizations. At present, the HSE National Office for Suicide Prevention (NOSP) funds 20 non-governmental organisations (NGOs), most of which provide counselling or support at different levels.
