RE: PQ 20887/20

To ask the Minister for Health the number of day care centres in Co. Clare that have now reopened; that will be reopened by September 2020; the number that will not be in a position to reopen by September; and if he will make a statement on the matter

Dear Deputy Wynne

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following is the HSE's position.

HSE Disability Services both nationally and locally have been working very closely with all service providers over the couple of months on the development of a service restoration plan which will see day services restored in line with Public Health guidance by the 1st September, 2020.

I have outlined hereunder details in relation to day service locations in Clare

Number of Day Service locations in Clare	31
Number of Day Service locations reopened	29
Number of Day Service locations to be reopened by the 1/09/2020	2

Should you require any further information or clarification in relation to the above, please do not hesitate to contact me.

Yours sincerely,

Maurice Hoare
