**PQ10209/20: To ask the Minister for Health the number of Covid-19 cases detected to date amongst residents in direct provision centres; the number of centres that these occurred in; if the residents of such centres were subsequently tested for Covid-19 in addition to the staff; and if he will make a statement on the matter.**

Dear Deputy O Cuiv,

The above PQ was sent to my Department for direct response to you on same.

I enclose a breakdown of the data you request.

I trust this information will be of assistance to you.

Yours sincerely,

**DR. KEVIN KELLEHER, FFPHM, FFPHMI**  
**ASSISTANT NATIONAL DIRECTOR –PUBLIC HEALTH/CHILD HEALTH – STRATEGIC**  
**PLANNING & TRANSFORMATION**  
**Medical registration number 19719**

Encl.

There are 180 confirmed cases of COVID-19 in IPAS settings to date. Of this, 172 cases are residents and 8 are staff members. All cases are now recovered.

We don't have the **Staff confirmed figures** for the Travel lodge Swords. They were tested by their own GPs etc.. and not part of a mass screen.

To date, approximately 2,700 IPAS residents (from a total of 8,000) have been tested for COVID-19. Enhanced testing, whereby all residents in a centre are tested for Covid-19, has taken place in 26 of the 83 IPAS centres.
