PQ 10501/20 To ask the Minister for Health further to Parliamentary Question No. 619 of 13 May 2020, the steps being taken to replace agency staff with directly employed HSE staff in cases in which agency staff are filling these positions on a fulltime basis for in excess of five years and there is no variation in hours worked; and if he will make a statement on the matter. -Brian Stanley

Dear Deputy,

I refer to your recent parliamentary question as above, which was sent to the HSE for reply.

The HSE regularly runs competitions for all posts including Clerical Admin posts for both temporary and permanent positions. These competitions are advertised on Jobs@hse.ie and are open competitions. Agency staff of course, can apply for these competitions. All positions in the HSE are advertised on this website.

There is a sign up facility whereby prospective HSE staff can sign up to be notified when posts that match their skill set are advertised. The email details are talentpool@hse.ie and details of name, profession(s) of interest and personal email address are registered. This facility is not for CVs. The Talent Pool team will send an email alert when HBS Recruit next run a recruitment campaign that may be of interest. Further details are available at Jobs@HSE.ie

Yours sincerely

Marie O Sullivan
