Re: PQ Number 11278/20

Question: To ask the Minister for Health if the paper on the current governance arrangements for the HSE health protection response to the Covid-19 pandemic which is referred to on page 2 of the NPHET meeting minutes of 14 April 2020 (details supplied) will be made available.

Dear Deputy Shortall,

I refer to the above Parliamentary Question which has been referred by the Minister for Health to the Health Service Executive for direct response.

Please find attached governance document, as of the 14th April 2020, prepared by the Chief Clinical Officer. Governance arrangements to support the HSE's and the HSE's health protection response remain under review.

I trust this addresses your question.

Kind regards
