**Re: PQ ref 11355/20 - DSPQ20048(2) – Drumlin House Training Centre,  
Cootehill**

*(Details)*

*To ask the Minister for Health if additional funding will be provided in 2020 for Drumlin House Training Centre in view of increasing demand for places; and if he will make a statement on the matter.- Brendan Smith*

Dear Deputy Smith,

I refer to your recent correspondence in relation to the provision of additional funding for Drumlin House Training Centre, Cootehill, Co. Cavan. I have examined the matter and the following outlines the position;

I can advise that allocation of funding from the HSE for Drumlin House is distributed via the Service Level Agreement. There are two streams of funding available to all Day Service Organisations, one stream comes directly from the HSE as per the individual Service Level Agreement and a second stream can be sourced nationally through the School Leavers Funding Process. Adults leaving school have access to individual development funding for Day Service provision.

Additional once off funding and lease rental agreement can also be sourced on an annual basis to all HSE and Non- Statutory Organisations.

I can advise that outside of the above no additional funding is currently provided.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Your sincerely
