Dear Deputy O'Reilly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The estimated cost of providing two additional community liaison midwives, employed directly by the HSE Addiction service, Dublin North City and County for a full year is €140,000.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely
