PQ 4193/20 * To ask the Minister for Health the status of the site of the former HSE health centre in Cloyne, County Cork; if his attention has been drawn to the desire of a group (details supplied) to establish a base in this unit for training and storage; and his plans to assist it in this plan and to support such services in the local area into the future - Pat Buckley.

Cloyne Community First Responders

Dear Deputy Buckley,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE owned health centre at Spital Street, Cloyne is currently unoccupied as the property requires significant upgrade works in order to make the building habitable. The HSE does accommodate First Responder Training in the St Raphael's building in Youghal, a short distance away.

Yours sincerely,

Jim Curran
National Director, Estates
