Re PQ 4704 20: *To ask the Minister for Health the estimated cost to the vote of his Department if the rate of employer PRSI was increased to 15.75% for the portion of salaries over €100,000; and if he will make a statement on the matter.*

Dear Deputy Burke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Your PQ above has been referred to me for response.

The estimated annual cost, as calculated by the National Pay Unit of the National Finance Division, of increasing the rate of employer PRSI to 15.75% for the portion of salaries for HSE employed staff over €100,000 is €21.7M.
