PQ 4784 - To ask the Minister for Health the additional funding being made available to University Hospital Waterford to deal with Covid-19; and if he will make a statement on the matter

Dear Deputy Cullinane

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can confirm that the HSE and South/ South West Hospital Group (S/SWHG) are currently capturing and validating expenditures to line up with approvals indicated by Government in relation to Covid- 19. The S/SWHG are awaiting formal confirmation and allocation of funding to support same.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

Grace Rothwell
