PQ 4827/20: To ask the Minister for Health if alternative accommodation has been secured for a service (details supplied) in view of the fact the leases are due to expire – Mary Lou McDonald

DETAILS: the Soilse Addiction Rehabilitation Service – lease for Henrietta Place and Green Street, Dublin are due to expire

Dear Deputy McDonald,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The HSE Soilse service located in Henrietta Place had a long term lease which expired in September 2019. The HSE Estates have entered into a month to month lease agreement with the current landlord to enable HSE Soilse utilise this building for service delivery in the short term.

The lease for the Soilse service in Green Street expires at the end of summer 2020. It is the HSE's intention to retain the Soilse service and we are currently working with HSE Estates, staff and unions to achieve this; however, this is proving to be challenging.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely
