The HSE have been asked to respond directly to your question.
I have made enquiries in relation to your question

The Health Service Executive recently published its Capital Plan for 2019-2021
This Capital Plan includes a new acute mental health unit at Naas General Hospital.

The design team has been appointed and the stage (i) preliminary design is being progressed currently. The project has had some issues in pre-planning discussions with the local authority and remaining within overall budget envelope.

Head of Mental Health,
South Dublin, Kildare & West Wicklow
