Re: Parliamentary Question – 5140/20

To ask the Minister for Health the status of the resolution of parking issues at the primary care centre in Mullingar, County Westmeath - Robert Troy

Dear Deputy Troy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and outline the position as follows.

The preferred bidder had been liaising with WCC and the landowner of the proposed carpark site, with a view to submitting a planning application prior to the onset of the Covid emergency, which stalled progress on this project. This has now been re-activated and the preferred bidder is hoping to submit a planning application in the coming weeks

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Pat Bennett
Chief Officer CHO Area 8
