4th June 2020

Deputy Peadar Tóibín,
Dáil Eireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ 5949/20 - To ask the Minister for Health the number of Covid-19 tests carried out by county to date in tabular form

- Peadar Tóibín

Dear Deputy Tóibín,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

Please see below the breakdown of tests conducted up to the 2nd June by County - broken down in 2 different methods:

1. Tests conducted by Labs in the county
2. Test swabs taken in county

Both add up to 357, 591 tests total. Please note that under the breakdown of test swabs per county a large number cannot to mapped currently to a county as there were taken by the National Ambulance Service and not in a Community Test centre.

I trust this information is of assistance to you.

Yours sincerely,

_____
David Walsh,
National Director,
Community Operations

Tests up to & including 2nd June 2020

By Testing Centre

County	Tests where swab taken in County
