Re: PQ ref 37873/20

“To ask the Minister for Health the status of the recruitment campaign for a of head of information security, strategy and implementation within the HSE”

Dear Deputy Kelly,

In response to your query, the senior security role has been recruited (Information Security Manager, Framework and Controls, OoCIO) and the person started in the role in September.

If you feel that the question has not been fully answered or you require any further clarity, please contact me.

Yours sincerely,

Fran Thompson,
Interim Chief Information Officer, OoCIO, HSE.
