Re: PQ 39305/20 – Staff employed in the pediatric diabetes clinic, Regional Hospital Mullingar

“To ask the Minister for Health the number of staff employed in the pediatric diabetes clinic in the Midland Regional Hospital Mullingar.”

Dear Deputy Clarke,

I refer to the above Parliamentary Question seeking the number of staff employed in the pediatric diabetes clinic in Regional Hospital Mullingar, which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and am advised that currently there is no nurse in the pediatric diabetes clinic in Regional Hospital Mullingar. There is dietician cover for the clinics and a new diagnosis consultant.

I trust this information is of assistance to you.

Yours sincerely

Paul Gallagher
Chief Director of Nursing and Midwifery
