PQ Question 39438/20: To ask the Minister for Health the reason persons who are getting the Covid-19 test not being asked if they have had the flu jab yet.

Dear Deputy O Snodaigh,

The above PQ has been sent to my office for direct response to you on same.

It is an idea we will consider in the future, but at the moment the majority of people being tested are not necessarily in the groups eligible for the Flu vaccine.

I trust this information will be of assistance to you.

Yours sincerely,
