Re: PQ27867.20

To ask the Minister for Health the average patient experience time in Letterkenny University Hospital emergency department during the period September 2019 to February 2020; and if he will make a statement on the matter. -Alan Kelly

Dear Deputy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question/Public Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The average PET (Patient Experience Time) for ED patients between Sep. 2019 and Feb. 2020 was 05:25:59 (where the 59 relates to seconds).

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours Sincerely,

Seán Murphy
General Manager
Letterkenny General Hospital
