PQ 27903/20 To ask the Minister for Health the average patient experience time in the Midland Regional Hospital, Portlaoise emergency department during the period June to August 2020; and if he will make a statement on the matter.

Dear Deputy

I refer to the above parliamentary question in respect of the patient experience time (PET) in the emergency department at the Midland Regional Hospital, Portlaoise. The following table details the average PET in hours by month:

Month	Average PET (hours)
June 2020	5.1
July 2020	4.7
August 2020	4.7

I trust this clarifies this matter

Yours sincerely
