*** To ask the Minister for Health the average patient experience time in the Mid-Western Regional Hospital, Ennis emergency department during the period June to August 2020; and if he will make a statement on the matter. -Alan Kelly**

Dear Deputy Kelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

As Ennis Hospital does not have an Emergency Department we cannot provide you with this data. We can however provide you with data relating to Ennis Hospital's Injury Unit during your specified period.

The average patient experience time in Ennis Hospitals Injury Unit from 01st June 2020 to 31st August 2020 is 1.52 hours.

Please contact me if you have any further queries.

Yours sincerely,
