RE: PQ 27906/20

**\* To ask the Minister for Health the average patient experience time in the Nenagh General Hospital emergency department during the period June to August 2020; and if he will make a statement on the matter. -Alan Kelly**

Dear Deputy Kelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

As Nenagh Hospital does not have an Emergency Department we cannot provide you with this data. We can however provide you with data relating to Nenagh Hospital's Injury Unit during your specified period.

The average patient experience time in Nenagh Hospitals Injury Unit from 01<sup>st</sup> June 2020 to 31<sup>st</sup> August 2020 is 1.44 hours.

Please contact me if you have any further queries.

Yours sincerely,

Colette Cowan  
Chief Executive Officer  
UL Hospitals Group
