Question: *To ask the Minister for Health his plans to open a new dual energy X ray absorptiometry scanning unit in South Tipperary General Hospital; and if he will make a statement on the matter. -Mattie McGrath*

Dear Deputy McGrath,

South Tipperary General Hospital has a functioning and operational dual energy X ray absorptiometry scanner (DEXA), there is no requirement to develop a further scanning unit at this time.

Yours Sincerely

Ms. Maria Barry

General Manager
