“To ask the Minister for Health if his attention has been drawn to a situation in which businesses on the Old Mallow Road, Cork have approached the HSE requesting additional signage for the Covid-19 testing as persons travelling for tests are entering their premises seeking directions; and if he will make a statement on the matter.”

Dear Deputy Gould,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Cork Kerry Community Healthcare was approached by a representative from three businesses who indicated that members of the public were seeking directions to the Covid -19 Testing Centre. In response to this contact the HSE ordered additional signage which is now in place.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

Teresa O' Donovan
