PQ 30010/20 – To ask the Minister for Health the status of the future of community healthcare in Swords, County Dublin; and if he will make a statement on the matter – Alan Farrell

Dear Deputy Farrell,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The provision of a new primary care centre in Swords is being progressed as a priority via the HSE's Primary Care Operational Lease Mechanism. This project is part of the HSE's National Strategy to develop purpose built primary care centres, delivering health services to local communities.

The selection process for Swords Primary Care Centre is underway and a preferred provider should be no later than quarter 1, 2021.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Deirdre Hogan
General Manager
Primary Care – Dublin North
