Re PQ 30316 20: *To ask the Minister for Health if he will provide a list of section 39 funded organisations; the amount of funding allocated to each organisation in 2019; and if he will make a statement on the matter.*

Dear Deputy Ryan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Your PQ above has been referred to me for response.

The HSE Annual Report and Financial Statements (AFS) Appendix 1, details HSE Revenue and Capital grants to Section 38 & 39 agencies, charities and other grant funded organisations. All agencies in receipt of grants greater than €100k are listed by name. This information is available from the HSE website at the following link <https://www.hse.ie/eng/services/publications/corporate/annualrpts.html>, with all HSE Annual Reports and Financial Statements listed from 2005 to 2019. In Appendix 1 of the AFS, Section 39 organisations are not separately identifiable.

The data in Appendix 1 of the AFS is collated centrally and subject to audit on an annual basis for the purposes of the HSE Annual Financial Statements (AFS) process. Due to the limitations in the HSE financial systems and the lack of a single standard financial system for the Health Sector this data must be collated as part of an extensive and resource intensive exercise. I regret to inform you that, due to the limitations in our financial systems, we are unable to extract the subcategory 'Section 39' from our records of 'grants to outside agencies' for state funding and therefore Section 39 organisations are not separately identifiable.

The shortcomings in our legacy financial systems are well acknowledged and their replacement by a single standard financial system for the Health Sector is at the core of the Finance Reform programme initiated by the Department of Health.
