Monasterevin Day Care Centre

Dear Deputy Ryan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The refurbishment of Monasterevin day care centre is progressing and the Design Team have lodged Fire Safety Certificate (FSC) & Disability Access Certificate (DAC) with Kildare County Council. The local authority has recently requested further information on same from the HSE and a response is being prepared. It is expected that project will be tendered by the end of Q1 2021, subject to the availability of funding.

Yours sincerely,

Jim Curran
