**PQ Ref 32067/20 - To ask the Minister for Health the details of the community healthcare organisation quality improvement plan including the defined actions to improve maternity care and the timeframe for these actions as outcomes from the National Maternity Experience Survey**

Dear Deputy Gannon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The community healthcare organisation quality improvement plan including the defined actions to improve maternity care and the timeframe for these actions as outcomes from the National Maternity Experience Survey are outlined in the entitled 'Listening, Responding and improving. The HSE Response to findings of the National Maternity Experience Survey'.

Please see a link to the document <https://www.hse.ie/eng/services/publications/>

I trust this clarifies the matter.

Yours sincerely,
