Deputy Murphy
Dáil Éireann,
Leinster House
Dublin 2

PQ Ref 32202/20: To ask the Minister for Health if representative organisations will be key stakeholders in the revision process of the HSE national clinical practice guideline for the management of multiple pregnancy; and if he will make a statement on the matter

Dear Deputy Murphy

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The membership of the committee that will be overseeing the revision process of clinical guidelines in obstetrics has not been formally constituted as yet but will contain service user representation.

I trust this clarifies the matter.

Yours sincerely,
