Dear Deputy Browne,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The pay costs associated with the relevant Project Manager and Clinical Lead throughout the work of the National Clinical Programme were €124,586 over the 14 months during which the program was in place.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours Sincerely

Dr Sinead Reynolds
