To ask the Minister for Health when physiotherapy services will be available in Clifden, County Galway; the date for the service to resume; and if he will make a statement on the matter.

Dear Deputy Ó'Cuív,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

A reduced level of Physiotherapy service was maintained in recent months in Clifden District Hospital, but we are now upscaling this service and will return to normal Physiotherapy service by the end of September.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

Frank Murphy  
Head of Primary Care  
Community Healthcare West
