PQ 22902/20: To ask the Minister for Health the projected cost of addressing pay inequality in the health service in 2021; a breakdown by grade; the position of his Department on this policy issue; and if he will make a statement on the matter.

Dear Deputy,

I refer to your recent parliamentary questions forwarded to the Health Services Executive (HSE) by the Department of Health for direct reply. The Department of Health has asked the HSE to respond on the projected cost of addressing pay inequality for Consultants

The estimated net cost of restoring pay for all new entrant consultants to 2012 pay scales, and addressing this issues raised in your PQs above, as calculated by the National Pay Unit of the National Finance Division is €25.7m
