Re: PQ23383/20 Future plans for Shannondoc Offices across the Mid West region

Dear Deputy Quinlivan,

I refer to your Parliamentary Question in relation to the above *'To ask the Minister for Health & Children the future plans for Shannondoc offices across the Mid-West region of counties Limerick, Clare and Tipperary in view of ongoing concerns for the future of the network of Shannondoc offices'*.

Shannondoc commenced restoration of their services on the 14th September, 2020 in Hospital, Co. Limerick and, Thurles and Roscrea in Co. Tipperary (N.R.).

Planning is currently underway in relation to the restoration of services in Co. Clare. The HSE and Shannondoc are committed to the full restoration of all services as existed pre Covid-19.

I trust this information addresses the issues raised in your representation.

Yours sincerely,

p.p. **Carmel McLaughlin**
General Manager – Primary Care
