“To ask the Minister for Health the annual funding provided to a mental health charity (details supplied) in County Kildare since its inception; his plans to fund the charity in the future; and if he will make a statement on the matter”.

-Catherine Connolly

Dear Deputy Connolly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can advise that Mental Health Services in Kildare West Wicklow have no service or grant aid agreements in place with this organisation. At present there are plans or applications to provide funding locally to this organisation.

I trust this clarifies matters.
