To ask the Minister for Health the status of the expansion of the Primary Care Centre in Castlebar, County Mayo; and if he will make a statement on the matter.

Dear Deputy Ring,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

A business case is being developed by Community Healthcare West for submission to the HSE property committee for the expansion of Castlebar Primary Care Centre. This is anticipated to be submitted before mid-October.

The proposed expansion of Castlebar Primary Care Centre is subject to HSE property committee and HSE Board approval.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

Frank Murphy
