To ask the Minister for Health when construction of the Tullow primary care centre, serving Tullow, Rathvilly and Hacketstown, will commence; if it was previously approved for construction in 2014; the status of the announcement in July 2017 that this centre would be developed and that the HSE were engaging with the adjoining landowner; the status of the project; and if he will make a statement on the matter.

Dear Deputy Kelly,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which was submitted to the Minister for Health for response.

I have examined the matter and the following response outlines the current position.

The HSE have commenced the process of the development of the Primary Care Centre in Tullow, Co. Carlow. To date, the HSE has received a number of Expressions of Interest from developers and the Schedule of Accommodation is currently being drawn up. It is hoped to commence construction in Q1 2021.

I trust this information is of assistance to you. Should you have any further queries please do not hesitate to contact me.

Yours sincerely,
