**PQ: 17737/21**

***\*To ask the Minister for Health the number of instances in which hospital management or operators of their car parks have used debt collection companies to collect outstanding fees in each of the years 2018 to 2020 and to date in 2021.***

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I have raised the matter with the CEOs of the Hospital Group who have responsibility in this matter. I am advised that neither hospitals nor the operators of their carpark services use debt collection companies to collect outstanding car park fees.

I trust this is of assistance.

Yours sincerely,
