Question

To ask the Minister for Health when the available spaces on the panel for the provision of hand sanitiser to her Department and the HSE will go out to tender; and if he will make a statement on the matter -Jackie Cahill

Response

Deputy Cahill,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

A national strategy for PPE procurement is under development which will incorporate a sourcing strategy for all defined PPE requirements including Alcohol Hand Sanitiser. The HSE intends to publish a tender process before the end of Q2 for future supply of PPE subject to the finalisation of this strategy. HSE will advertise this tender process on WWW.eTenders.gov.ie.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact the Office of the Head of Procurement on (01) 635 2688 or via ohop@hse.ie.

Yours sincerely,
