**PQ 18073-21 To ask the Minister for Health the position regarding the issuing of vaccines to a school (details supplied); the actions being taken to make sure this does not happen again; and if he will make a statement on the matter. -**

Dear Deputy Whitmore

Thank you for your representation. The HSE is rolling out the vaccination programme in line with NIAC guidance. The HSE has issued sequencing documents in line with NIAC advice. The HSE is aware and disappointed that there have been breaches of this guidance. Were such breaches are brought to the attention of the HSE they will be investigated.

I hope this provides you with assistance,

Yours faithfully
