PQ 19623-21 - Deputy Cathal Crowe: To ask the Minister for Health the provisions that are being made for the allocation of unused Covid-19 vaccinations

Dear Deputy Crowe,

Thank you for your representation.

Now that there are safe and effective vaccines available we are aware that most people are keen to get vaccinated as quickly as possible.

All vaccine administration sites are required to have standby lists of frontline healthcare workers later in the sequence to ensure that staff are available at short notice in the event that frontline healthcare workers earlier in the sequence order are not able to attend or could not receive the vaccine.

To date over 4.1 million vaccines have been administered, 2.5 million adults have received dose one (67%), with 1.67 million people (44%) who are fully vaccinated.

I hope this provides you with assistance.

Yours faithfully

Sharon Hayden
General Manager
Office of the CCO
