Deputy John Lahart, TD Dáil Eireann, Leinster House, Kildare Street, Dublin 2.

Dear Deputy Lahart,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the following Parliamentary Question, which was submitted to this Department for response.

PQ: 20601/21

To ask the Minister for Health the number of persons awaiting placement under the fair deal scheme as of 1 April 2021 or latest date available; the average waiting time; the number of persons currently awaiting placement under the scheme in each local health area in tabular form; and the length of time waiting.

The number of persons awaiting placement under the Fair Deal Scheme

As at the 6th of April the Nursing Homes Support Scheme had a total of 531 clients on the placement list awaiting funding.

The average waiting time

The average wait time for each client on the Nursing Homes Support Scheme placement list as at the 6th of April is four weeks.

The number of persons awaiting placement under the scheme in each LHO area in tabular form (Appendix 1)

The length of time waiting

The Nursing Homes Support Scheme operates a single National awaiting funding list. There is therefore no distinction between waiting times experienced by clients across the country. Funding provided by the Nursing Homes Support Scheme continues to be allocated on a strict chronological order basis.
