Re PQ ref 20790/21 ;To ask the Minister for Health if St. Joseph's Community Hospital, Stranorlar, Co Donegal will continue to be used to provide dental treatment to patients; and if he will make a statement on the matter.

Dear Deputy Doherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Representation, which you submitted to the Chief Officer, CHO 1 for response. I have reviewed the matter, and the following outlines the position.

The Dental Clinic in St. Joseph's Community Hospital, Stranorlar will continue to be used to provide dental treatment to patients once the required remedial works have been carried out on the site. These works are essential to ensure that the clinic is compliant with current IPC and HIQA standards.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Dermot Monaghan,
