Re: PQ 22228/21:

“PQ 22228/21: To ask the Minister for Health the average waiting time at each vaccination centre; and if he will make a statement on the matter.”

Dear Deputy Shortall,

The Health Service Executive (HSE) has been requested to reply directly to your above Parliamentary Questions which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

All vaccination appointments are issued in advance and people are advised not to arrive more than 5 minutes early to their appointment.

The attendees can access further information on the HSE website and this gives the indication that the average appointment will take around 30 minutes.

Yours sincerely,
