*Re: PQ 59230/21 – “To ask the Minister for Health the status of the provision of a community neurorehabilitation team in CHO6; and if he will make a statement on the matter”.*

Dear Deputy Devlin,

Thank you for your recent correspondence. The Health Service Executive has been requested to reply to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the current position.

Community Healthcare East Disability Services can confirm that the recruitment process for a Neurological Team is delayed for reasons beyond our control. It is hoped that the process of recruitment will resume in the New Year.

I trust that this information is of assistance to you.

Yours sincerely,

*Anna Meegan*  
*General Manager, Disabilities*
